Teaching Philosophy

I will infuse my artistic skills, abilities, and knowledge in the appropriate pedagogical teaching practices so that a diverse range of students may achieve their maximum potential in learning.

Education

University of San Francisco

- **Degree:** Masters in Teaching
- **Credential:** California State Teaching Multiple Credentials
California State Teaching Single Credential: Science

San Jose State University

- **Degree:** Bachelor of Arts in Child and Adolescent Development
Minor in Mathematics for K-12 Teachers

Field Teaching Experience

Almond Elementary School, Los Altos, 5th grade 2010

- Student Teacher
 - Established and transition students from morning recess into daily morning activities and daily corrections
 - Formulated creative lesson plans for subjects of mathematics, language arts, and science
 - Reinforce classroom management
 - Attended and provided teaching feedback at school staff meeting and fifth grade team meetings
 - Chaperoned for student to Chabot Space and Science fieldtrip
 - Formulated analysis of mathematic benchmark scores and recommended possible solutions to problems and known patterns
 - Coordinate with fifth grade team and other teachers with unit lessons and academic teaching resources

Lakewood Elementary School, Sunnyvale, 1st Grade 2010

- Student Teacher
 - Motivated post-kindergarten children to enter first grade
 - Designed a play-based learning project that utilized peer learning, art, utilizing the environment, movement, and realia objects.
 - Cooperated with master teacher to teach simple phonics and phonetics patterns in speaking, writing, and spelling

Other Work Experiences

Tech Museum Summer Camp, San Jose

Summer 2008

- Assistant Instructor
 - Aiding the Lead Instructor in teaching Lego Robotics and Videogame Creation.
 - Help maintain motivation for students in class as well as preparing games during breaks.
 - Initiated discussions with parents on student's progress.
 - Contributed to team planning on prevention on student misbehaviors.
 - Interacting with children during breaks to establish respectful and trustful relationships.

Juan Cabrillo Middle School, Santa Clara

Feb 2007 – Jun 2008

- AVID Tutor
 - Tutoring for Jamie Weston's AVID (Advancement Via Individual Determination) students in various academic and life subjects.
 - Encouraged students to engage, inquire, and seek answers and solution from peers and resources beyond the instructor and tutor.
 - Created personalize and executed art curriculum in addition to a Civil War lesson

Valle Vista Elementary, San Jose

Oct 2007 – Dec 2007

- Practicum Volunteer
 - For Ms. Laura Brown's Fifth Grade class I taught mini-lessons on mathematics and introduced literature and my personal college experience to the students.
 - Worked in small groups for revisions of writing assignments

Yun Yee Tong Chow Gar Kung Fu, San Jose

Sep 1997 – Jun 2008

- Lead Senior Instructor
 - Engaged children with the philosophy of martial arts through kinesthetic, cognitive, and spiritual enlightenment methods.
 - Infused in the students a sense of respect for the martial arts and to others.
 - Constructed new activities and exercises to motivate children new to the sport of martial arts.
 - Worked with fellow instructors to teach children based on various skill levels.

Professional Qualifications
